Methuen Police Explorer Post Visit Boston Police Headquarters

In January, our police explorer post joined police explorers from various other police departments at Boston Police Headquarters.

This event was arranged by the Spirit of Adventure Council for Law Enforcement Explorers.

The police explorers spent the day touring the Boston Police Headquarters building. They listened to presentations from the Boston Regional Intelligence Center (BRIC), the Boston Police Crime Lab, and the ballistic unit. They learned what each unit does and about DNA testing, latent fingerprints, and crime scene management.

Our police explorers were accompanied by Lt. Joseph Aiello, Officer Jeffrey Torrisi, and Officer Nick Fabrizio.

Special thanks to Superintendent Nicole Grant from the Boston Police Department's Bureau of Community Engagement.

In November, Officers Manny Suarez and Jesse Fabian were invited to attend a special birthday celebration for a young boy named Leudis Valeriano.

Leudis is a very big fan of the police and hopes to be a police officer.

When officers heard about this, Officers Suarez and Fabian were happy to stop by and say hi.

Thank you for the invitation Leudis!

WHEN THE SNOW FALLS...

Wear loose-fitting, lightweight, warm layers, rather than one heavy layer of clothing.

Take breaks while shoveling snow – overexertion can bring on a heart attack.

Help firefighters by keeping fire hydrants clear of snow.

#WINTERREADY

Another "Caught Being Good" moment by a MPD officer! While driving on Forest Street Officer Christine Nicolosi spotted an elderly woman attempting to shovel her driveway, Officer Nicolosi then stopped her cruiser to get out and assist the woman with shoveling! Well done Officer Nicolosi!
